The following items arise from the Building and Property Committee meeting of December 7, 2018. They are presented to the Board of Governors for its information.

I. FOR THE INFORMATION OF THE BOARD OF GOVERNORS

1. Increase in the design budget for Envelope Repairs (Masonry and Windows) and Interior Renovations to the Macdonald Stewart Library Building [BP18-17]

The Committee considered a request to approve an increase of \$2,500,000, in project-specific funding for the design of envelope repairs and interior renovations to the Macdonald Stewart Library Building bringing the total design budget to \$5,500,000. The initial \$3,000,000 had been approved by the Vice-Principal (Administration and Finance) in 2014 in order to effect emergency repairs that were necessary to stabilize the exterior masonry of the building. It was noted that the increase was necessary at this time as the scope of the project had expanded to include deferred maintenance items including HVAC upgrades, upgrades to the electrical system, installation of a sprinkler system, renovations of existing washrooms and installation of new washrooms, interior finishing,

In summary, the Committee approved an increase of \$2,500,000 from \$3,000,000 to a total design budget of \$5,500,000.

2. Update on Royal Victoria Hospital Redevelopment Project [BP18-15]

The Committee received an update on the Royal Victoria Hospital Redevelopment Project (RVH). On October 29, 2018, the Executive Committee of the Board of Governors approved the \$37 million funding agreement with the Government of Quebec. The Committee was informed that the funding agreement has since been executed and remains conditional on the signing of a Memorandum of Understanding (MOU) by the Minister of Health and Social Services.

l'Éducation et de l'Enseignement supérieur (MELS) and the Société québécoise des infrastructures (SQI).

The Committee also received an update on the timeline for the development of the McGill Pavilion on the RVH site. The report included the major milestones in the development of a site master plan by the SQI, as well as the major milestones in the current phase of development of the McGill Pavilion on the site. The Committee was informed that the masterplan would be finalized by January 2021 and it was expected that students would be welcomed in the Fall 2027.

3. Update on Action Plan for Expiring Leases and the Redevelopment of Solin Hall [BP18-16]
