

Civil Engineering

Guidelines for the 27th Annual CEGSS Conference

The Conference is held annually by McGill's Civil Engineering Graduate Student Society (CEGSS) and is open for free to all civil graduate students, alumni, and department staff from McGill and other Canadian universities. This event is an excellent opportunity to practice your presentation skills and show off your ongoing research for a chance to win prizes! There are opportunities to become acquainted with your peers at McGill and other universities as well as networking with individuals who are working in industry.

This year's Conference will be held on **Friday, May 21st, 2021, from 8:00am to 6:00pm**

Abstract guidelines:

- All text should be in Times New Roman.
- The title should be size 14 and **bold**.
- All other text should be size 12. Please keep single line spacing
- Author names, department, and contact information **MUST** be written.
- Page margins should be 1 inch and all text should be centrally justified.
- Word limit of 300 words for the abstract, not including title and author names and affiliations.

After submitting an abstract, prepare a PowerPoint presentation to share with us! Please send a recording of your presentation to cegssconference@gmail.com once completed in the event of technical difficulties during the live presentation.
