

## MSc(A) Advanced Nursing Global Health Concentration Application Questions

Graduate Nursing studies are comprised of robust, diverse courses intended to challenge and advance thinking and practice. They include a substantive amount of reading, writing, research, seminar discussions, presentations, group work, etc.

Your responses to the questions below will help us gain a better understanding of who you are and your ability to succeed in graduate studies at the Ingram School of Nursing. Please answer each question (including the question before your response). Single spaced. Font 12 pt, Times New Roman, text with 2.5 cm margins.

## Questions for All Concentration Applicants (Maximum 2 pages):

- 1. What specific strengths (qualities/skills/abilities) do you possess that make you an excellent candidate for the Advanced Nursing MSc(A) Program? How would these contribute to the graduate learning environment?
- 2. What specific elements of your practice would you like to develop further in the Advanced Nursing Program?

Please answer additional concentration specific questions below.
