Guidelines

McGill University values academic integrity. Therefore all students must understand the meaning and consequences of cheating, plagiarism and other academic offences under the Code of Student Conduct and Disciplinary Procedures (see www.mcgill.ca/integrity for more information).

If you are unsure how to cite your research sources, please see your supervisor for guidance.

This course is intended to allow students the opportunity to undertake an independent research project under the supervision of a McGill Faculty member. This research should be of an interdisciplinary nature, and should not be something that could be carried out in any one department at McGill. Disciplinary research s
