B) Late Submissions

Due to the sequence and timeframes of the course, late submissions will not be possible. The release of subsequent activities and assignments is dependent on the completion of each component of the preceding part of the course: Part 2 will automatically become available for the student only if all components of Part 1 are completed; Part 3 will NOT become available if the components of Part 2 are not completed by the designated due date. Students are responsible to manage their schedules and leave adequate time to be able to complete both Part 1 and Part 2 by the stated deadline.

Consequences of not completing course requirements as indicated:

A remedial assignment will be required in case of absence or inability to complete the course requirements and if successfully completed, the student will receive a PASS (P) or SATISFACTORY (S).
